

Special Handling Fees

Tier 1-Special Handling \$85 per ton (\$20 min fee)

- Secure disposal of acceptable solid waste at the energy recovery facility (incinerator) or landfill.
- Manifests are signed and returned to the driver.
- No tracking or record keeping of manifests or scale tickets is provided.

Tier 2-Special Handling with Certificate of Destruction \$130 per ton (\$30 min fee)

- Secure disposal of acceptable solid waste at the energy recovery facility (incinerator) or landfill.
- Manifests are signed, driver's copy returned, and a copy attached to the Certificate of Destruction. Electronic copy of signed manifest is attached to electronic (PDF) Certificate of Destruction and e-mailed to customer (up to three e-mail addresses).
- PO numbers must be prominently displayed on the bill of lading or manifest (Line 13, 14 or 15, Special Handling Instructions and Additional Information) for those customers requiring a PO number for each load.
- PO numbers may also be provided to Wasatch prior to the beginning of each year or month for those customers requiring a PO for each year or month (communicated prior to delivery of waste via telephone, e-mail, or listed on each manifest or bill of lading).

Tier 3-Special Handling with Certificate of Destruction
and Additional Services \$150 per ton (\$50 min fee)

- Secure disposal of acceptable solid waste at the energy recovery facility (incinerator) or landfill.
- Manifests are signed, driver's copy returned, and a copy attached to the Certificate of Destruction. Signed manifest is attached to Certificate of Destruction and either e-mailed to customer (PDF) and/or the original hard copy is mailed to the customer.
- Electronic Certificate of Destruction is e-mailed to more than three e-mail addresses.
- PO numbers provided to Wasatch after delivery of waste.
- Additional research or services not included in the electronic Certificate of Destruction service as determined by Wasatch.
