The Utah Procurement Code provides that a procurement may be made without competition when there is only one source for the required supply or service. Therefore, a “sole source” procurement is justified if there is only one product or service that can reasonably meet the state’s need and there is only one vendor who can provide the product or service.

Wasatch Integrated Waste Management District is giving notification to make the following sole source procurement.

Product and/or service to be purchased: Cosmolubric B-230

Proposed Sole Source Supplier: Rhinehart Oil Company

Sole Source Justification: Unable to identify other local suppliers.

If for any reason any party does not agree with the proposed sole source procurement, please email KayLynn Todd, Purchasing Manager, at kaylynnt@wiwmd.org.
