

SOLE SOURCE JUSTIFICATION

DATE: 07/21/2017

PURCHASE ORDER NUMBER: 55140

SUPPLIER NAME: Wheeler Machinery Company

DESCRIPTION OF MATERIAL AND/OR SERVICES: Rental of a 627 Scraper

SINGLE SOURCE JUSTIFICATION:

Wasatch Integrated Waste Management District (Wasatch) will use Wheeler Machinery Company (Wheeler) for purchase order # 55140 without competition. Wasatch will award a purchase order to Wheeler for a two-week rental of a 627 Scraper.

Justification: The most important consideration is that Caterpillar Inc. is the only manufacturer of the Scraper that Wasatch needs. Wheeler is the Caterpillar dealer for the state of Utah. It is in the best interest of the District to rent from Wheeler for availability of the equipment, and the ability to provide parts and service if needed during the rental time.
