DATE: 02/03/2020

PURCHASE ORDER NUMBER: TBD

SUPPLIER NAME: Paradigm Software LLC

DESCRIPTION OF MATERIAL AND/OR SERVICES: Paradigm Update Quote - WEUT-37825

SINGLE SOURCE JUSTIFICATION:

Wasatch Integrated Waste Management District (Wasatch) will use a sole source (purchase order number to be determined) without competition. Wasatch will award a purchase order to Paradigm Software LLC to purchase the addition of New Site with Unattended Kiosk.

Sole Source Justification: The primary consideration in identifying and awarding this equipment is the compatibility of the current scale house software. Paradigm software is currently used at our landfill scale house and it is not cost effective or beneficial for the District to change software companies.
