Landfill Closure Account

The Landfill Closure Account shall be a special trust account held by the Utah State Treasurer in accordance with regulations of the Utah Division of Solid and Hazardous Waste (R315-309, Utah Administrative Code). Moneys on deposit in the Landfill Closure Account shall be used to provide a portion of the required financial assurance for closure and post-closure costs of the System.

Paragraph 9-3-102(c) of the District Code provides that the amount in the Landfill Closure Account shall not be less than the total accrued liability for plant and landfill closure and post closure care costs. Total accrued liability for closure and post closure care costs are estimated to be \$5,836,504 as of June 30, 2018.

As of June 30, 2018, total closure and post-closure care for the landfill and waste to energy facility is estimated to be \$13,812,253 and the largest area requiring closure at any time and post-closure care for the landfill and waste to energy facility is estimated to be \$8,819,747. Based on budgeted revenue for fiscal year 2018 of approximately \$11,886,594, we can provide financial assurance via the local government test for up to \$5,111,235 (\$11.9M*.43). The balance of approximately \$3,708,512 shall be provided through the trust account
