To Whom It May Concern:

Re: Notice of Cancellation of RFP2022-06 Landfill Gas Utilization Project

Pursuant to Section 3-4-105 of the District's Purchasing Policy, the District has concluded it is in the best interests of the District to cancel, in whole, RFP2022-06 Landfill Gas Utilization Project. This cancellation is effective immediately.

After careful review of all responses received, compared with the criteria established by RFP2022-06 for qualification of vendors, the District has determined that the criteria set were not competitive and, therefore, did not advance the best interests of the District. Only two responders met all of the criteria, which unnecessarily disqualified vendors from consideration despite their demonstrated ability to deliver a suitable project.

Sincerely,

Wasatch Integrated Waste Management District
