Wasatch Integrated Waste Management District, located at 1997 East 3500 North, Layton, Utah 84040, is giving public notice of a release of this Request For Statement of Qualifications (RFSQ) as the first stage in a multiple-stage procurement process to pre-qualify developers for a Landfill Gas (LFG) to Renewable Natural Gas (RNG) project. RFSQ 2023-01 aims to qualify a list of vendors to move to the next stage in the procurement process.

Inquiries regarding this SOQ must be submitted by email to Nathan Rich, Executive Director (nathanr@wiwmd.org) and Todd Quinley, Purchasing Manager, (toddq@wiwmd.org), not later than ten (10) business days prior to the SOQ Due Date. An addendum will be issued to all known bidders. Exceptions shall not be granted to requests made after the final inquiry deadline.
